GLOBEX IS LISTED FOR TRADING IN THE U.S.

Rouyn-Noranda, Quebec, GLOBEX MINING ENTERPRISES INC. (GMX: Toronto Stock Exchange, GLBXF: Pink Sheets) wishes to announce that Globex now trades on the Pink Sheets in the United States under the symbol **GLBXF** in addition to its listing under the symbol **GMX** on the Toronto Stock Exchange, the senior Canadian board.

Globex decided to pursue listing in the U.S. in order to facilitate trading by our U.S. shareholders and to aid in the exposure of Globex Mining Enterprises Inc. to U.S. investors.

Globex Mining Enterprises Inc. holds a diversified portfolio of **over 60 mineral properties** both in Canada and the U.S., including numerous gold prospects, more than 20 of which are advanced exploration projects, a number of base metal properties including drill defined sulphide copper, zinc, gold and silver bodies, two diamond projects, one molybdenum project, one magnesium-talc project and one six property uranium-gold project. Globex derives revenue and advances exploration or development through the optioning of its properties while retaining royalties on possible future production. In addition to those already under option, management is currently in discussion with several parties interested in optioning various Globex properties. The terms of such ventures and the results of ongoing work programs will be announced as the information becomes available.

U.S. shareholders, investors and interested parties are invited to visit Globex's updated web site (www.globexmining.com) for a wealth of information on Globex and its properties.

We seek safe harbour.
